

OKC Storm Corporate Sponsorships

OKC Storm provides Homeschool Athletics for families and students in the OKC metro area with fundamentals based upon Christian principles.

OKC Storm is seeking corporate sponsorships to help provide live streams of our sports so that we can continue to keep prices low for the athletes and their families. Live streams allow friends and family that can't make it to games and tournaments to be able to cheer for and support their athlete. As well, those streams are available for coaches and players to review after the game for training purposes.

OKC Storm provides Volleyball, Swimming, Basketball, Cross Country, Golf, and Soccer for athletes in Junior High and High School to participate in throughout the school year. Many teams compete at and win at the National level.

Multiple sponsorship types are available and last for a 3 month term. OKC Storm currently has the following reach: 1100 weekly emails, 256 (and growing) YouTube subscribers, 1000+ Instagram/Twitter followers.
